PROFILE

A BA (Hons) Fashion Business and Promotion graduate seeking employment within the Public Relations and Marketing Sector. Throughout my degree I have studied an extensive range of subjects, giving me a wider view of industry and opportunity to build on my strengths in enterprising and networking to deliver an effective final outcome.

Industry work placements and group projects have given me hands on experience working and connecting with a broad range of people, developing my abilities to adapt to new ways of thinking and work within a fast paced environment.
