PROFILE

A dedicated, creative and thorough Menswear Fashion Design student, currently in my final year and due to graduate July 2019. Proven to work relentlessly to achieve success.

I am an extremely driven and passionate individual, who has a strong eye for detail in the work I undertake and will translate this passion to the working environment. I am a fast learner and have my own strengths and abilities that can contribute to the success of a team. These qualities have been proven during my final year and final major project.

ACHIEVEMENTS

I have been selected to showcase my final major collection and represent my university on the Graduate Fashion Week 2019 catwalk.

I have been shortlisted for the Sportswear and Leisurewear Award sponsored by Tessuti at Graduate Fashion Week 2019.

Finalist (top 5) in the Katie Jones Fashion and Colour Design Award 2018.

I am ambitious and very hard working. I worked full time during my first and second years at university to fund my studies and still managed to attain 2:1's and 1st.

WORK EXPERIENCE / LIVE PROJECTS

April 2018.
Live Project

Designing a S/S 2018 collection for Topman. Involved working to a brief and researching the target consumer whilst creating a collection that was both focused and relevant to the Topman brand and current trends.
