## **PROFILE**

I am an enthusiastic and focused menswear fashion design graduate from Birmingham City University, with a keen interest in textiles and print for fashion. During my degree, I have developed vital skills in pattern cutting, garment manufacture, CAD and fabric sourcing which were all a demand from my degree, as well as furthering skills and confidence in time management, organisation, presentations and team work. I am looking for a creatively stimulating, fast-paced environment to flourish in professionally and personally.

## **EDUCATION**

**BA (Hons) Fashion Design**  
**(September 2016 – June 2019)**  
**Birmingham City University.**

Over the last three years I have learnt and developed skills such as pattern cutting, CAD, fabric sourcing, garment manufacture, organising and carrying out photoshoots, team work, presentations, brand reports and conceptual and commercial designing.

**F.E. STUDIES**  
**(September 2014 – June 2016)**  
**Selby College.**

Level 3 Diploma in Art & Design (Fashion Pathway) – Distinction.

Level 3 Extended Diploma in Art & Design (Fashion Pathway) – Distinction.

**GCSEs**  
**(September 2009 – July 2014)**  
**Selby High School.**

10 GCSEs, graded B - C, including Maths, English, Science, Textiles and French.

## **EMPLOYMENT**

• **Birmingham City University**  
**ASK Desk Associate**  
**(September 2018 – February 2019)**

From this role, I have gained skills and developed confidence in team work as well as my communication, as this job position is situated within a main place of information for Birmingham City University students.

• **Birmingham City University**  
**Level Up Mentor**  
**(September 2017 – present)**

I have gained more confidence in communicating with peers and teachers, as well as working from my own initiative when posting on social media.

• **Birmingham City University**  
**Volunteer helping a level 6 fashion student with her FMP collection**  
**(January 2018 – May 2018)**

I have gained knowledge in sustainable fashion and handmade textiles, as well as machine sewing techniques.

• **Brownies Organisation**  
**Young Leader Volunteer at Rainbows**  
**(2013 – 2015)**

I have gained vital skills in team work, communication, organisation and time management. As well as using my initiative and on the spot thinking.

## **ADDITIONAL SKILLS AND ACHIEVEMENTS**

- Comprehensive understanding of adobe software Photoshop, Illustrator and InDesign.
- Awarded graduate+ bronze award at Birmingham City University in 2017.
- Awarded certificate of achievement for fashion student for individual effort and achievement at Selby College in 2016.
- Top 10 finalist at The Clothes Show for Young Designer of the Year in 2015. From this I gained how to work in a fast-paced environment, communication skills with the clothes show and achieve a well-made end garment.
