Personal profile

I am personable and able to work unsupervised or within a group. I am an organized, hardworking person with the correct equipment and meet deadlines, whilst taking on board feedback I am given.

Having had dance as a curricular activity outside of education allowed me to make new friends and to grow with confidence in speaking to people and having had it as something I enjoy, this shows that I am committed.

Career Objective

My ambition is to become a costume designer which will allow me to work on film/TV sets, in theatre designing the costumes for each production. Fashion allows for important connections to be made within the industry and to help me become more self-motivated.

Work Experience

Garrick Theatre, Lichfield
21st to 26th March 2016
Costume Department
(1 week work experience)

Duties/Responsibilities:

- Helped tidy away the costumes after each performance, putting them back on hangers and the clothing rail.
- Helped to put the costumes in the theatre storage room at the end of the week.
- Made sure the dressing rooms were tidy at the end of the night.
- Walked the children to and from the stage area to dressing rooms.
- Tipexed a school tie for Connie (Costume Designer).
- Made sure the Actors/Actresses shirts were neat before they went on stage.
- Sat behind backstage during the performances in case I was needed for anything.
