Personal Profile

I'm a current Menswear Fashion Design student at Birmingham City University. I have developed a good knowledge of creative software, I enjoy being challenged and I have a high level of enthusiasm which helps me to cooperate with others, graduate in July 2020. I have passion for the fashion industry, which helped me to gain an experience of interning at brands as my career experiences. I'm looking for work experience in the fashion industry which will help me to gain knowledge and develop my design and making skills.
